REFRAIN

It's hard to find forgiveness  
When we just turn out the lights  
It's hard to say you're sorry  
When you can't turn off the light  
It would be so easy  
To spend your whole damn life  
Just keeping strong

(Bridge)

So lets get down to it baby  
There ain't no need to lie  
Tell me who you think you see  
When you look into my eyes  
Lets put our two hearts back together  
And leave the broken pieces on the floor  
Make love with me baby  
Till we ain't strangers anymore  
We're not strangers anymore (We're not strangers)  
We're not strangers anymore  
(final solo)
